

Hello, my name is Low Peng Yang, and I am 7 yrs old. My violin teacher is Ms Sylvia Khoo. I study in Catholic High School (Primary). I am in Violin I in the school Strings Ensemble. We took part in SYF this year. We practised very hard and we got distinction. I also took part in Raffles International Music Festival in 2017, and was very excited when I got Silver in the children's category. I like to play the violin because it can produce a nice sound. I also play the piano. In my free time, I like to draw.
