

Megan Lee Yit May

Megan Lee Yit May, 9, began playing the piano when she was two and a half year old under the guidance of teacher Deon Ong at Yippy Tune Music School, Brunei. She represented the school to perform at various music events, which include the Alliance Francaise French Festival and 'Music Together' Performance in Brunei. Megan was one of the youngest participants to win awards at regional competitions. Some of her achievements include: Silver and Bronze medal at the KK Music Festival. She is currently a Grade 5 student in piano. Megan's other interests are in swimming and violin. Megan looks forward to participating in the Singapore Music Festival in the near future.
