

**Thia Ming-Rui**

My name is Ming-Rui. I am a 6-year-old boy in K2. I have a younger brother who is 4-years-old and I love him a lot. I am the only left-hander in my school & in my family. I love challenges and doing things in a new way, whether in music or using my chopsticks or in outdoor games. I want to be a soldier or policeman when I grow up because I want to catch all the bad guys and keep my family and Singapore safe!
