

Being a Grade 8 vocalist and going into ATCL soon, Singing has been a huge part of my life. The past 2 years especially has been life changing as I started participating in musicals. Given the chance to lead sing "This Is Me" and the "The Greatest Showman" from The Greatest Showman in my latest musical was definitely one of the most memorable moments of my life.

Recently, I also participated in the Sound of Music Production by Jerudong International School Brunei and given the role "Mother Abess". Though it was a challenging role to portray, it was definitely a great learning opportunity for me.

I was also lucky enough to be selected as Brunei's Young Musicians organized by Brunei Music Society in both 2015 and 2017.

I also participated the 24th KK Music Festival in Kota Kinabalu last September 2017 and bag the first prize for both of my Broadway and Classical songs.

I am looking forward to experience my Singapore Performer's Festival and Chamber Competition this year and make it one of my singing highlights.
