

Jadon Low is a nine-year old boy who is an enthusiastic novice, having started learning how to play the piano about four years ago. He only recently came under the tutelage of Dr Christina Tan, and is enjoying her dedicated coaching of technique and fundamental skills. He enjoys a mix of classical and pop music, and especially likes Alan Walker's music. When he is not doing coding, writing short stories or reading up on plants, he practises on the piano as a creative outlet.
