

EVAN CHIAM

violinist, pianist, singer, actor

Evan began learning music at the age of two and a half year old. He grew up enjoying the creative arts: constantly singing, acting, dancing and drawing as much as playing the violin and piano.

Evan has consistently competed at competitions across Asia ever since 2009. He has obtained more than 60 trophies/medals in an array of violin, piano and vocal categories.

He finished his Trinity UK Grade 7 for Voice and Grade 8 piano and violin exams with high distinctions and received 8 trinity outstanding achiever medals in the previous years.
