## Biography

My name is Enzo Deharryl Hatta, I was born in Batam, 06<sup>th</sup> March 2008.

My friends and my teacher call me Enzo.

I've been learning piano since I was 5 years old until now .

I started piano lesson under Ms. Silvia at NewSymphonia Music & Education Centre in Batam Island, Indonesia.

Piano has played an important part in my life and it seems like I'm born to love music . I love all kinds of music and somehow, the only the only instrument that attract me is piano . I love the sound of piano and the feeling when playing it . Being able to play piano itself gives me a pride and joy .

I will continue to play and practice piano until I'm adult .
