Fien went on to play in over 30 TV shows

Fien had various shows to play his own song at universities and events. He also had a lecture at Srinakharinwirot University on his method to song composition.

He composed a music piece called “Cheung Chau Fantasia” and it was selected as the theme song for the art event at Cheung Chau in Hong Kong.

His facebook page with his sister, “Beethofien &Fohn” has over ten thousand followers.

Brand Ambassador “Played by Eyes” Musics School (Thailand) 2014-2017

Fien composed various songs to reflect on special events of his life. He wrote a song for his pet bird called “Nani”. One time he experienced a hail storm, so he wrote a song to reflect his feeling during that event. In 2017, he made five performances on a TV channel, Thai PBS, and he composed a song to mark these events. One of his songs, “Journey”, tell a story of him embarking on a journey of musical composition.

“Intelligent”

As part of the background research to compose this song, “Intelligent”, Fien familiarized himself with this history of Singapore as a country. He also went to the Singapore International School of Bangkok (SISB) which allowed him to see grade 2 students made a presentation from Google app.

The song “Intelligent” is about learning. It is the learning that incorporates our past through present and embrace the future.

The introduction of the song is about time.

Section A is about the children.

Section B is about bringing the past to the modern time. It incorporates the music from the classical period such as Baroque and Romantic.

Section C is about modernized learning. It describes the networking of the modern world through internet, digital, AI. The modernized learning allows the children to be ready for the future.

The finale demonstrates the the unending learning process of life.
